Elizabeth House relies on our many volunteers who give so generously of their time and energy. At least ten people are needed to assist on any one day, supporting the manager, administrator and cook.

We are always looking for volunteers to help either on a regular basis or as a backup for when people are on holiday or ill.

Do you have an hour or two to spare during the week? Would you like to help the team at Elizabeth House Day Centre? If so, we need volunteers to help with:

Our volunteers come to us for a variety of reasons, and they stay because they love working here as a team with our members.

In 2014 our volunteers received the Queen's Award for Voluntary Service (the equivalent of an MBE for a charitable organisation) in recognition of their service and dedication.
